

Owensboro Symphony Youth Orchestra @ Carnegie Hall June 13, 2017

We have returned from an historic performance @ Carnegie Hall. Bravos to all who made this experience a high point in OSYO history! The future is bright as we prepare for the next season and beyond. Many of our seniors are moving on to continue their musical journey with college scholarships in prestigious schools across the nation. This allows us to involve new players who are ready for the challenge. The time is ripe to join the OSYO!
